FROM THE NOMINATING COMMITTEE:

On April 25, 1976, the Nominating Committee was given a new assignment by the Board of Trustees: to select six nominees for the newly formed RELIGIOUS EDUCATION COUNCIL. By working closely with a panel of knowledgeable MMUS members (particular thanks go Pat Corson), the Committee was able to select an excellent slate at its May 2 meeting. Because the Council is new, it is necessary to designate some nominees for a one year term and others for a two year term.
