Dear

Although we Unitarian Universalists don't emphasize ritual and ceremony, there is a definite place in our scheme of things to stress our heritage. We have a history of which we can be proud. Our Liberal Religion, no matter what cast it has taken during its various eras, has affected both society as a whole and the course of most of our lives.

Having been President of the Board of Trustees of May Memorial Unitarian Society, you have been instrumental in sharing a portion of our history. In light of that fact I would like you and your spouse to be my guests for wine and dinner at May Memorial preceding the 141st Annual Meeting on Sunday evening, June 3rd, 1979. Wine will be served at 6:00 p.m. and dinner at 6:45 p.m. The meeting will follow.

Having you and other past presidents in attendance will be an inspiration to our assembled membership. It will give me a great deal of personal pleasure to see you there ... Please RSVP, hopefully, affirmatively, to either my home, 446-2372, or the church office, 446-8920.

Respectfully yours,

MAY MEMORIAL UNITARIAN SOCIETY

Howard Gartner
